Skull Island

You stand on the beach of Skull Island ready to make your fortune. Looking out to sea, you see a shipwreck on the rocks of the point.

Ahead lies jungle extending to the base of cliffs rising to form a snow covered peak in the centre of the Island.

In your hand you hold a map of Skull Island, you discovered in your great grandfather's sea chest. Strange, it has cryptic signs and a treasure chest. Strange how some people also call this place Treasure Island.....
